The Premises:

Been here about 3 years before - was expecting it to have been done up a bit but still in need of attention - the place was however clean. The receptionist has a really harsh Sheffield accent. It was bit off putting to also hear a very loud yorkshire guy in the next room telling his mate on the phone he aught to come over "as he would not be dissapointed" when his put came out half naked I saw what he meant she was really gorgeous.

The Lady:

Whilst not as good looking as the Yorkshire blokes put Keely proved to also be Excellent, tall and thin, very nice groove, to lick, suck and fuck, nice face pleasent manner

The Story:

I enjoyed Keeley's company very much. In stead of wasting time with the usuall half hearted massage it was not long after she stripped off that we were kissing, really nice kisser, a bit of oral and reverse oral and then on to the main event. As I wrote earlier she has the best groove I have had the pleasure of this year. Keeley also has a nice presonallity and put me at ease straight away as I had not had a put for a while.

Thanks Keeley - see you again sometime.
