### The Premises:

Sue's house is in a quiet residential street and is immaculate sue herself is a very attractive lady who is very welcoming about 5ft5 with a lovely body

### The Lady:

sue was dressed in smart casual clothing which for me makes it seem much more of an illicit encounter rather than a bussiness transaction that some ladies make it feel

### The Story:

I was looking through punternet and was amazed that it was over two years since i'd last seen sue so a quick phone call had that sorted.

When she answered the door her hair is slightly longer and her body still superb we quickly made it upstairs to the bedroom where we undressed and the fun began. Sue certainly knows exactly what buttons to press and i had to remove my cock from her mouth on more than one occasion to prolong the experience also the mirrored wardrobes give you a fantastic view when you buried in her lovely pussy from behind .

In all a fantastic time with a very sexy lady i wont leave it for another two years thanks Sue xx
