The Premises:

Decent Location off a busy street, feels safe, flat clean and tidy, if somewhat unexciting

The Lady:

Nikita is around 25 years old with a huge pair of (enhanced) breasts, not good at guessing these things, but around 38 DD. Quite short 5ft 3", clean shaven, nice smooth legs topped off with an attractive face and dark hair.

The Story:

Nikita is a relatively small woman, with a very large fun loving personality, and boy did i have a fun packed 90 mins in her company. Her oral without is mind blowing, and she offers a no holes barred service that tests the stamina of someone of my advanced years. She allowed me full oral access to her shaven, sweet tasting vagina, her swollen labia is a sight to behold, and boy when she had what were multiple orgasms there was no doubt about there authenticity. The one problem with this lady is she could become addictive. Highly reccomended if you feel you could stand the pace of a nymphomaniac.
