The Premises:

The flat is located in an area consisting of lots of university buildings so very safe. The building is easy to find and the first floor flat was spotless.

The Lady:

Alisa is very beautiful and that is certainly her in the website pictures. Her skin did seem to be darker when I met her, this could be down to the lighting or maybe some tanning.

The Story:

Alisa offers the perfect GFE, with excellent DFK all through the hour I spent with her. She has wonderful, warm and welcoming personality and I'm sure everyone would feel at ease in her company. We started with kissing before stripping off, Alisa then applied lotion to my cock and preceded to a lovely tit massage that had me shooting my load in no time.

I was offered another beer and we chatted for a bit, her English is excellent and she has no trouble engaging in conversation, in fact she probably has the best English of any Asian girl I've seen.

Finished chatting and went down on her for 10 mins or so, she was making all the right noises, owo was top class. Alisa then climbed on top of me to ride my cock, it must be said I don't usually enjoy having a girl on top, but Alisa technique was excellent a wonderful grinding motion, which had me shooting my load in time.

If you're after a PSE experience I don't think Alisa is for you she doesn't do anal, I didn't ask about rimming but I doubt it. On the other hand her GFE is top draw along with her personality and conversation.
