The Premises:

The establishment is in Attercliffe. There's plenty of space to park, but you can be seen quite easily seen by anyone passing by.

The Lady:

Slim lady in her 20s I believe, from Romania I was told. Black hair.

The Story:

I was there at around 1 pm. Rates between 12 to 2pm are reduced to 30 pounds. I thought why not giving it a try and see what I can get. Actually, not much.

Only 3 girls were working: Tatiana, Leoni, and the other who's busy smoking at the door whose name I didn't get. Leoni didn't seem to be interested in me whatsoever and there's no eye contact at all. Tatiana was the only one who cared to talk to me briefly. I went with her.

The first thing she asked the instance I walked into the room was her 30 pounds. Right. I was then told she doesn't do a lot of things, and I can't even kiss her nipples! Quite simply, she just wanted my shaft inside her and want me to cum quickly. I was taking my time, and she kept saying "come on... come on..." I eventually came, and off she went putting her clothing on. My 30 minutes were clearly not up yet but she was already started to tidy up the bed before leaving. One of my worst punts this year!
