The Premises:

Shop front on a very busy main road. Entrance via a door to the right of the shop. The front itself has grills pulled down. ?10.00 entry then you are let into a clean modern premises. A security guard lets you in once you have paid.

The Lady:

Choice of 4 young girls sitting on a long sofa watching tv. They didn't really pay me much attention as I was introduced to them by the maid. 3 brunette and 1 blonde. I chose marion who was a slim pretty brunette because she was the only one to smile and say hello.

The Story:

Marion led me to a small room just behind the lounge area. Typical saune type room but clean and nicely decorated with a long mirror encompassing the single bed.

Marion is a Eastern European lady who's English isn't too good so we struggled to have any conversation. She told me it was ?60.00 for 30 minutes, or we could have a bigger room for ?80.00.

She explained this included massage, BJ and sex. I asked if you allowed reverse oral which she did but at an extra cost. She would not give me any price for this until after we would have finished despite my attempts to explain that that was daft. So I didn't bother as I didn't trust what I might end up being charged.

To be fair Marion's service was very good, a sexy lady who gets into things. In different circumstances I would really have enjoyed myself but the whole thing just didn't feel comfortable for me. I finished early despite paying for 30 minutes and left. I may still go back now I know the place is safe, perhaps phoning in advance to confirm the prices.

This place has the potential to be a real gem but they need to make it more relaxed.
