### The Premises:

Entrance from cromwell road, so very busy road! No porter and once inside place is clean and tidy

### The Lady:

As per pictures really, slim, small pert lovely breasts, great bum.

### The Story:

Raisha (previously known as Akira) was the epitome of a gfe. I'm sure she would have stepped up to a more intense adventurous experience but that wasn't what I was in the mood for that day, so it was a sublime genuine experience instead. OWO to completion, CIM, with lots of rubbing. Slightly submissive and coy with loads of natural come hither sexiness....
