The Story:

fourth visit to Pam's Parties and by far the busiest with around 8 other gents taking their turns. there is a very friendly atmosphere at these parties. it takes a while to overcome the lack of privacy and I guess it is not for all. most other guests will ask if it is OK to watch and some of the girls will engage in multiple liaison. with an all in fee of ?70 guests vary there attendance with some early, some late and some through the whole session. i spent the full four hours there and with the busy start i had been there nearly an hour by the time i got with Laura. All the girls were great and no one was rushed even though there was plenty waiting. After Laura i saw Tina and could not manage to perform for Valentina. after a break Emma brought me back and was glorious and athletic and chatty all at the same time. finally i finished up cuddling with Valentina and left at chucking out time. whole evening was out of this world. clearly not for everyone but highly recommended for those who party
