The Premises:

City centre location with loads of on-street parking. It is free to park on Sunday, so an added bonus.

Buzzer entry to apartment. All nice and secure.

I prefer to see ladies that do not smoke and indeed locations that are smoke free. Liz advertises as a non-smoker, but the flat stunk of stale tobacco. Possibly from another punter or the other girl she works with. (In case you are wondering, I am not anti smoking, I just don't like sex and smoke together).

Anyway her place was modern, clean, tidy, private and secure.

The Lady:

Very friendly and eager to please. Average height, medium boobs, shaven. Attractive blonde and fit.

The Story:

Kissing, toy show, owo, massage and sex.

Very caring and attentive to my needs. Slowed down half way thru to ensure finale was at the end (see my other report on Ashlee aka Sxystokebabe).

Very pleased to spend time with this lady, will definitely return.
