The Premises:

This was a really lovely room in a quiet and classy flat located off a discrete road close to the center of Bournemouth

The Lady:

She is a very attractive young lady with a fabulous figure and pretty face and giggles very very seductively, made a great cuppa tea too!

The Story:

Had a really lovely half hour, chatting and full on kissing followed by amazing oral both ways and then sex in a few positions and then more chat and reluctantly had to leave - a real gem
