The Premises:

This is a new establishment, clean & freshly decorated and attractively furnished. The flat is upstairs, above a row of shops near the Bamforth Stree tramstop on the main road from Hillsborough to Sheffield. Entrance is from the rear, door marked 352A, where there is a small car park for the premises, but also ample safe on-road parking opposite industrial units. Two girls normally available from 10am -6pm daily. I understand that occasional "gentlemen's parties" are to be held there soon, early evenings. Phone Katie for details.

The Lady:

Nicky is a shapely, tanned lady in her 30s, with curly brown hair, great tits and a nicely shaven pussy. She is good company, and makes a guy feel very welcome. Most of the girls here are very experienced and have worked in other parlours in Sheffield, so they are well trained to please.

The Story:

After a welcoming cup of coffee and a chat with both girls, Nicky & Katie, I chose Katie and went upstairs to get ready. A clean, bright room with mirror and double bed. Nicky joined me and gave me a very arousing massage, after which we got down to giving each other oral. She tasted great and enjoyed my tongue, and later sucked me off almost to completion then watched me come. Cleaned me up gently and gave me plenty of time to recover.

Shower available if required.

Next time I must try to hold back long enough to enjoy full penetration of Nicky's tight pussy!

An excellent experience, very welcoming and relaxing. Excellent value for money.
