The Premises:

The front garden area faces directly onto a bus park with people milling around.

The Lady:

Jas is a largest lady, very pretty, big firm boobs, big belly, nice big thighs and round arse. Probably mid-late 30's, short bobbed hair and light skinned Indian.

The Story:

This was my FIRST ever punt so I was dead nervous.

She answered the door in a slutty dress, fishnets and heels and lead me upstairs.

(please note: time and date may not be EXACT of this meeting but it was hereabouts!)

The room was a tad cold and bit sterile - bed with no duvet.

She told me to get undressed ("We can't do anything with you wearing them") and started wanking me off. I had only paid for a hand job.

She rubbed it on her tits and let me finger her pussy, which I have to say is very very tight and I even poked one in her arse hole.

She gave me a tit wank and I asked if I can cum in her face. She had agreed on the phone, but seemed reluctant to here. She ok'd the facial, but told me to avoid her hair and held it back a bit too obsessively.

She wanked me off, and after 15 mins of playing with her tits she knelt on the carpet and I came loads in her face.

Jas is damn sexy, she is a mature, full figured woman who is capable of rocking your world, but I wish she had loosened up or pretended to be into it a bit more.

Her "ooohs" and "aaahs" seemed a bit false and she grimaced as I came on her which was a turn off. Or at least braced.

She was amazing in some ways, but not in the slutty cum fest she promises on her site.

Would recommend for those interested in ethnic girls, big boobs...just wish she'd lighten up a bit.

She issued a rebuttal to my previous comment and I agree towels weren't laying around and there WERE sheets on the bed, my main point here is I wish she had looked like she enjoyed it more than going through the motions.

Service Provider's Rebuttal

Jas writes:

My room has never, ever had towels and lubricants lying around and I ALWAYS have clean sheets on my bed. Also if this gentleman paid for hand relief, he would have received hand relief, not sex. And as everyone who has ever visited me knows I do not work at 10 am.
