The Premises:

The first floor flat in a newly built block of flats is five minutes walk from the rail station with adequate parking in nearby roads as well as the local hospital to where I was directed by a very friendly and informative receptionist. At this time of night this part of Woking is almost deserted and I felt perfectly safe walking to and from the flat as well as inside the building.

The Lady:

Elouise has recently updated her photographs on the site with her face blurred out so when I arrived I was pleased to find how facially attractive she is. Her photos are a true representation of her too with no airbrushing either! I should not have been even the least bit surprised as all the girls I have seen here in the past have been truly stunning. Just a little heavy on the lippy and perfume for me though.

The Story:

Elouise has a lovely manner about her - polite, respectful and with a real willingness to please. Having dealt with the paperwork and accepted a shower with a lovely fluffy warm towel to come out to she returned to give me a lovely spine chilling back massage followed by a very enthusiastically performed OWO and DT to the brink of completion! Next time perhaps! She pulled off just in time and waited a few minutes before expertly putting on the mac with her mouth and then jumped astride my throbbing rock hard man. Pulling her close and feeling her against my chest was wonderful whilst I thrustured underneath her tiny frame but seemingly did not want to engage in any DFK.

A wonderful way to end the day.
