The Story:

We got straight down to it starting with French Kissing then a covered BJ. I just loved her eye contact. She has beautiful small tits and a lovely shaven pussy. I couldn't wait any longer so we shagged doggy and I soon came as the sight of her petite arse was just too much for me. I deliberately haven't had a wank since Friday so I really enjoyed the experience. This girl is fabulous, I want to marry her but sadly she is going home in a couple of weeks but she may return. It will be Cardiff's loss if she doesn't come back
