### The Premises:

A terraced cottage off the main street in a small town on the edge of Dartmoor.  
Clean.cosy and not a problem with neighbours. Very safe.

### The Lady:

Mistress exudes an air of authority from the minute you enter Her Temple. She has the most perfect legs rising to a beautiful pert bottom and pussy. Her breasts are georgous and have large responsive nipples. Her face,when pleased has,the warmest smile.

### The Story:

Right from the start i was in trouble,arriving early etc., all of which earned my bottom extra attaeention. Mistress enjoys your pain and will make sure you are tested to your limit. After some strokes with the crop i was blindfolded and with my hands chained above my head hot wax was dripped on my bottom, Mistress said "make a wish" and then i was allowed to blow out the candle. i was then led up to the bathroom and told to lie in the bath as Mistress stood above me and pissed all over me. After a shower i was taken downstairs and allowed to worship Mistresses lovely bottom. This is my second visit to Mistress Kali and i hope it will not be my last as She is the best in the west.
