The Premises:

Easy to find flat, I actually did the short walk from Lancaster gate tube. The flat was clean, the play room had a large bed and was generally comfortable if just a little warm for me. There were candles and soft music and a generally nice atmosphere

The Lady:

Aura looks like her pictures. She is smaller than I was expecting (okay it does say 5'0" but who reads that stuff :-), petite, perfectly proportioned with a great bum. She has a nose stud which I don't think was in the pics but they are otherwise accurate.

The Story:

This was a bit of a mixed bag. Aura is very pretty and sexy and (mostly) willing. She gave good OWO and obliged with s*x in many positions. That's the good, the not so good. Aura was not recently shaved and had some rough stubble. She claimed to be ticklish to kissing, almost everywhere, although not to be fair on her breasts or for RO which she seemed to enjoy. I suspect that the truth is we just did not click, and with another punter things could be different. Still she is a lot of fun and I've not doubt will be great for many. I think she's worth a visit and definitely if you're a bottom fan. I still pine for cho-ko, Annie and Yumiko and will continue to search for another to replace them.
