Profile Name: Dollymopp...A Real Lover Experience

Website: <http://www.dollymoppsboudoir.com>

Phone: 07904172001

The Premises:

Easy to find from the tube, discrete entrance way. Boudoir is like an Aladdin's cave of books films, bags, posters and a sumptuous corner bed surrounded by mirrors.

The Lady:

Dolly is gorgeous, deep red lips, long straight black hair, porcelain skin which defies her age and immaculately turned out.

The Story:

This was my first full service experience, only having visited masseuse's with happy endings previously, Having lurked on the board for probably 18 months I chose Dolly after much research, as I expected to be very nervous. I was initially, but was quickly put at ease by Dolly effervescence, we chatted for ages before I freshened up in the shower. We soon were having a fun time where Dolly was very tuned into my needs, I stayed way past the allotted time and nothing was hurried, or awkward, thanks for a great evening. I'll be your own personal Jesus anytime.
