### The Story:

When to Crewe to see Fallon as I have read some glowing reports and she looked hot Phoned at opening time she was already booked until 12.30 thought I would take a look at who else was on offer as time is money. I was introduced to Taylah and another girl ONE look at Taylah was enough for me. After my shower entered Taylah a beautiful little bundle of Kylie Minogue with a lovely sweet voice attached to a Liverpool accent

She has a great personality very easy to talk to and get on with, we started with a massage and the rest is pure lust

Wont go into details being the gentleman I am, it was just a fantastic half hour spent with a top girl I don?t know if Fallon or another girl could beat that
