The Premises:

Flat at the end of a cul-de-sac in not the best part of town.Ok in the day ! Nice enough flat and the bedroom was all clean and tidy. Felt perfectly safe in the area but was in the day !

The Lady:

I think prob in forties, but she has great body . Nice small breasts, Great Girl. Great personality !!

The Story:

She says she offers the best blowjob ever and WOW!. It was the best I can remember in a very long time, you really have to experience it.

The massage and sex were really good too, I was a bit soft to start with and she worked hard to get me up, once I was I just couldn't get enough of this really sexy women.

She tells me that she will tailor a service to fit my wallett and so even if I need quick relief, she's the girl.
