The Story:

At the outset, let me say I am not easily pleased. This was my second visit to see these two lovely ladies and it is itself worth noting that I did indeed return.

I can confirm the favorable reviews I've seen here for both individually, as well as the previous descriptions given by others, and excellent reviews of the establishment, so I will add some extra observations.

I feel Jessica is a very warm and friendly person, she is very talkative and shows a lot of interest which I like. Her voice sounds like a verbal cuddle. Certainly very easy to get on with. Her conversation is imaginative and memorable. I could spend a lot of time with just her and feel very comfortable indeed.

For me, Penny is absolutely breathtaking. She has amazing body-line and figure. Her gaze can hold you transfixed almost to the point that time seems to disappear. Penny has a nice laugh and ready to add humor. Something mesmerizing about her: demure, sophisticated and something of the 'beautiful ice maiden' if you know what I mean.

Both have body art which I found curious and interesting.

For me, Penny has the edge on Jessica, as I have a preference for strictness, both have different styles and whichever you prefer is down to the individual.

The massage experience was professional standard and satisfying and I like them both a lot. These

are my initial impressions and I will return for more.
