The Premises:

Very relaxed atmosphere inside and plenty of room, not at all claustrophobic. The back room (the original one) now has the shower en suite, which is a huge improvement.

The Lady:

Petite, blonde, very girl next door. Like one of your older teenage daughters cute pals who you should probably not make a pass at!

The Story:

Sienna was not at all what I expected from her photos on the website, I had half terrified myself with thoughts of an Amazon- but she was not at all like that. Pretty and petite and very relaxed and friendly. She even knocked at the door before entering the room! Respect! Lovely kisser and perfectly acceptable massage. She seemed to enjoy her nipples being fussed over and working down I soon brought her to orgasm with oral. In fact she bucked so hard I thought I had bitten her accidentally at one point. Lots of lube for a super, long wank whilst kissing. More lube and my fingers went to work on her at the same time and we just carried on like that for ages. And she just kept kissing. Very natural GFE with no sense of acting or role play. Blew my load into her mouth eventually and (by prior appointment) she swallowed the lot, and sweetly kissed me on the cheek afterwards. Good girl! ?80 for the hour; ?10 each for OWO, CIM and swallow. Excellent VFM.
