The Premises:

I met Pia at at the same hotel (by chance) I was staying in Oxford. Very nice and comfortable, and no problem with parking.

The Lady:

Pia is a lovely looking lady, with a tremendously sexy figure. When we first met, she was dressed stylishly in trousers, top and heels, and that hinted at the fabulous figure underneath.

The Story:

I had been wanting to see Pia since I first saw her website some months ago, but this was the first opportunity I had to meet up with her.

As I was staying down that night, I asked I Pia would like to join me for a meal before hand, which I am glad to say she accepted.

Pia was stylishly dressed, and was lovely company. She is very easy to chat to, and has had a facinating life and some great tales to tell.

After a lovely meal, we headed back to the hotel, and her room. We began to kiss and slowly take each others clothes off, revealing more and more. One of the many memories that will stay with me for a long time, is when I pulled down her trousers, and seeing her in just heels, stockings and knickers.

In our time together, there was lots of kissing, touching and caressing, fabulous owo (oh such sensations), ro (she tasted oh so sweet) and passionate sex.

There was never any feeling of clock watching, but alas all good thing come to an end, and I headed back to my room.

I woke up the following moring, and driving to work, I had to listed to Feelin' Way Too Damn Good, as it summed up how I felt.

If you are able to, you have to see this lady, as she provides a GFE experience you won't forget.
