The Premises:

A few minutes walk from Lancaster Gate station. Very quiet location. Walked through the lounge to reach the bedroom. Bedroom is small with a large mirror and soft music in the background. Overall, a very clean and tidy place.

The Lady:

Very pretty Thai lady with a smile on her face all the time. Photos on the web site is very retouched. In person, very beautiful and better looking than photos. She has different alias, is known as Marisa in other places. Her English is not bad, you can have a conversation with her. I thought she was small then realised she has 4" heels on. She is well under 5 foot tall but very well proportioned.

The Story:

She offered me a drink while she had a bottle of cold beer. After a short conversation she started with BJ which was excellent, one of the best I had. After applying a condom, and we moved on to sex in many positions including a-level. Because she is so light, I could move her into different positions easily.

She is very service orientated, told me I am her husband for the next hour and let her know if want something. I had a wonderful hour with her and will definitely return to see her soon.
