The Premises:

Incall at her place, easy to find on SE side of Northampton. Reasonable area enough parking close by. Ground floor flat wasn't quite sure which one it was until....

The Lady:

She opened door dressed in short skirt very see through blouse with no bra. Not the slimmest girl in the world size 12 ish and 34FF boobs and looked ready for fun.

The Story:

Led to her bedroom and after exchange of formalities started kissing. She was very good and clearly enjoyed french kissing. Her blouse came off and I couldn't resist getting my mouth on her ample boobs. Without asking she sat up and started sucking my cock. Her oral technique was fantastic, I wasn't going to last long at this pace. I pull away and started on her boobs again, whilst sliding my hand between her legs. She was obviously enjoying this as she wanked me with her hand as I explored her. More kissing then on with the condom. I climbed on top and after a while switched, her on top her boobs in my face, this didn't last long before I came.

She was more than happy to chat and allowed a second shot as I wanked over her ample boobs. A very sexy lady who is very good and what she does especially OWO, Will definitely visit again,.
