The Premises:

Privatge house on a busy road. Student digs type place but ok inside. Plenty of Parking and easy to find with an A to Z. Chantal appears to share this house, the bedroom was large and clean. Lot's of handcuffs and toys lying around.

The Lady:

Chantal is a very pretty brunette (soon to be blonde she advised). About 5'6" tall, dress size 8 and small breasts. Chantal advised me she is due to have breast enlargement surgery in two weeks. Chantal describes herself as half French / half Italian on her web page. Her home is in Italy but she is studying English in the UK. Gorgeous olive skin, brown eyes and fantastic bum / pussy.

The Story:

Chantal is a real nymphomaniac. She loves hard, rough sex and everything on her web page is correct. Chantal offers just about every service you can want....and loves it. She told me up front how she likes it hard and boy can she take a spanking. She actually insisted I spank her before I could even lock her pussy.

Good BJ and loves her bum being rimmed out too.

Rough hard sex and then finished all over her body. All fantasies are catered for but I'd get in quick as she has already sussed her prices are just too low.
