### The Premises:

The location is in a nice area and is in a decent road. The house itself is nice, clean and safe. The windows are all covered (which looks a bit dodgy to the neighbours, im sure!) but inside is fine. It feels a bit seedy going up to the door but you are let inside quickly and taken into a clean well equipt room. It has a proper massage table, oils, music etc. I have been a few times. ALways been safe, clean and no problem.

### The Lady:

Olga is tall, slender and absolutely gorgeous. Beautiful eyes, stunning smile and curly funky hair. Small but pert breasts, a lovely peachy pert bottom and a flat stomach. No complaints!!

### The Story:

Olga works for Watford Mila Massages. This is strictly a massage parlour with an added HR bonus, nothing more. I have visited a couple of times but this was the first time that i had met Olga. She was gorgeous, caring and very attentive. Definitely recommended.

I had a 1 hour full body to body massage with a happy ending (HR). Olga gave a great massage. The body to body element was limited (vs. one of her colleagues) but she made up for it towards the end where i was able to play with everything on show while she made me happy. A really fun and sensual experience.

Worth a visit, if you are after a good massage with a happy ending. If you want more, this is not the place for you.
