The Story:

Called into LM after work with an appointment to see Alex for the third time. I have seen her in reception and on the corridor on several occasions and she has always given me a big smile and a greeting. She is definitely one nice lady. She was wearing a very sexy black dress which showed off her very sexy figure. She kissed me before I removed my clothes and took a shower and then she took a shower and I helped to dry her back and fondled her gorgeous, natural body. From then on it was a no rush half an hour of some of the best GFE I've had. She is a good conversationalist and she genuinely tries to please, with a lot of success in my case! I find her to be a very sexy young lady. After a nice chat and shower Alex escorted me back to reception, leaving me with a goodbye kiss and a thank you.
