The Premises:

Reasonably sized (shared) flat in amongst a row of shops on busy tree lined avenue. Clean and modern interior. Nice area.

The Lady:

This lady is petite, currently blonde, fulsome natural breasts, pretty face, stunning blue eyes. Fit, slender body and poise of a top porn star - which she is! (Scotland's finest)

The Story:

We had a relaxing chat on the sofa with a bottle of wine, found out what's new (this is my 3rd meeting with Alexis). Went to the bedroom eventually, where Alexis stripped off her l.b.d. and purple underwear, facing a long mirror. We then got under the covers of a very comfy bed for a kiss and cuddle - which was nice! - followed by prolonged oral from her to me and vice versa (which got Alexis quite vocal). The condom was located after a short search and she got on top. At first she brought herself down against me in a passionate embrace; finally she went upright to thrust up and down till I shot my load inside her, whilst holding those gorgeous boobs. Went back to the sofa for another drink and watched some comedy. There was no real time limit - I indicated I didn't need any more bedroom fun, so we just had a laugh. Alexis is laid back and quite understated; an individual, lovely young woman. A beautiful experience.
