### The Premises:

More discrete than some other establishments in MK however not quite as nice as the more modern types of apartments no en-suite however clean and functional.

### The Lady:

I would not describe Helen as absolutely stunning however she is very very attractive with a lovely body and a wonderful personality.

Her hair was somewhat darker than the redhead pictures, wasn't a problem for me.

### The Story:

This was just a wonderful experience, I have been punting for many years and can count the exceptional ladies on one hand. I would say Helen is without doubt the most exceptional by far. She has many reports which are all good but I never build my hopes up too high as I have been disappointed in the past and end up wondering what all the fuss was about and also the authenticity of the reports.

We started on the bed with DFK and I mean proper DFK no holding back a full on snog as you would with a regular partner. We then got undressed with OWO and RO with fingers which she loves and orgasms easily. The OWO is full on deep throat up to the hilt with some anal stimulation by finger its the best you will ever get. Helen is very perceptive and able to recognise if you are about to cum and will slow things down accordingly what a woman. On with the condom for some cowgirl followed by mish with her moaning beautifully I could hold back no more and cum with 20 minutes to spare. We rested up for 5 minutes laying on the bed chatting and playing with our bits and to my surprise Helen aroused me once more. (not the norm)

Round two started and finished quite quickly with me pumping away like a mad thing and Helen communicating words of encouragement in my ear and enabling her this time to achieve a penetrative orgasm, as I said before what a woman! If you are a serious punter you must see Helen she is undoubtedly the best! she just loves sex has a fantastic personality and needs to completely satisfy her guests. A word of warning she is difficult to book on the same day I had to make an appointment 24 hours in advance. I very rarely see girls twice however Helen will be an exception also I must experience the DT CIM!!!!
