The Premises:

Met her at discreet London Hotel near Kensington High Street.

The Lady:

Fantastic slim busty figure with peachy bum and good legs. Greeted me wearing tight powder blue wool blend dress and high stilettos. Hair seemed shorter than in the photos but i wasn't complaining.

The Story:

Kelly looked amazing when she greeted me at her hotel. She was wearing a clingy blue dress that accentuated her fabulous slim busty figure. Matching accessories and high heels completed a glamorous sexy look.

Following formalities she offered me a glass of wine and I sat mesmerised as she moved sexily before me, her huge braless bust heaving beneath her dress. Pleasantries aside it wasn't long before my hands were gliding over the smooth fabric as we got thing started with some heavy DFK. As good as she looked, and being a bit kinky, i'd bought an alternate outfit which she obliging changed into. The sight of her unfastening her dress, letting it fall, before pausing teasingly just inches from me in just the tiniest thong and her heels was almost too much. Her boobs are truly massive and looked spectacular in the sheer low cut dress i'd bought for her.

More kissing to resume matters before she unfastened me and dropped to her knees for some intense OWO. Great licking and sucking soon had me in a heady daze.

I soon wanted to return the favour so stood her against the wall, peeled off her tiny thong and dropped to my knees to gorge on her sweet pussy. Before long we were both ready for action so slipping on the condom some deep mish up against the wall got things started. We made good use of the hotel room with some cowgirl on the chair and various positions on the sofa. Eventually i bent her over the large table, facing the huge mirror for some doggy style as i stood behind her. The sight of her huge cleavage as her breasts swayed then fell out of her dress as i pumped away eventually took me over the edge.

What can I say, a hedonistically exotic 90 minutes with a great girl. Not only does she have a great body and is sexy as hell she's also fun, flirty and friendly. Definitely would recommend.
