The Premises:

It was my place - so a total pigsty.

The Lady:

Loud, tall and blond. I'd requested someone "generously proportioned" - but sadly she was not. 34b at most. Plus she had had several kids - and stretch marks are NOT a turn on. She also seemed quite interested in talking, which rather ate into the hour I'd paid for.

The Story:

After some discussion of what she doesn't do (kissing, anal, 69) I took what was left. I think I fingered her to orgasm, but hey she might have been making it all up. A fairly competent BJ was followed by some pretty bog-standard shagging. And then that was that.
