The Story:

Started with a nice massage with toys put the bullet inside the condom and that was my first load shot, my turn to massage Crystal with oils soon had a finger inside her [what a feeling]. Soon it was time for me to take her from behind in front of the mirror what a view and feeling this was when she mentioned the web cam what a fantastic idea i will be back in the next 2 to 3 weeks for this service also does domination what a babe. Coming from milton keynes why go all that way you might say fantastic lady fantastic shag she also commented on my size, was this to get me to go back well it worked. Hope you dont get to many bookings from this i want some action soon three some sounds good will give that a bash as well. Wellingborough here i come.
