### The Premises:

Bedroom in a ground floor flat, the room is the most welcoming room I have ever punted in.

### The Lady:

Helen is as per her photos on the website, fit body with a bum that is simply perfect.

### The Story:

This is the first of two birthday (40th) presents I bought myself. I picked Helen based on other reports on this site and I can confirm that all the positive reports are spot on.

Helen is the closest you can get to a guaranteed good punt. She was very warm and friendly from the off. I love oral and DFK and Helen delivered on both counts. Possibly the best blow job I've ever had and she also did a couple of other things that were unexpected but extremely pleasurable which I won't go into detail.

Helen is first class and must be treated accordingly. Book her and you won't regret it!
