### The Premises:

This is one of the cleanest houses I have ever seen. Nice and spotless everywhere. The smell of the house was sweet and fresh. The area was very discreet, well lit and quiet. I felt very safe and I was happy with the fact that her place looks very normal such that nobody would know your business.

### The Lady:

A gorgeous lady with chocolate coloured and velvet feel smooth skin. Elegant and beautiful woman. Infact I was more impressed with her well toned body, nice round firm botton and perky boobs. She is a very well built woman.

### The Story:

After a nice warm welcome, we took a shower together then she gave me a very relaxing massage as we listened to some music. We then had a body to body rub which turned both of us on. She has a fantastic range of toys that we used on each other as we explored our bodies. She never for once looked at the clock as we enjoyed ourselves. The blow job was out of this world. By the time we had inter course i was gagging for it. She was so gentle and we did it in a variety of positions. She is ever so polite and I can safely say this is the best woman i have ever met.
