The Premises:

The apartment was very clean and presentable. I didnt like the doorman who was a bit too inquisitive. Entering was a bit uncomfortable.

The Lady:

The photos on the website are accurate as far as the body is concerned.

The Story:

Venus does know how to make you comfortable. She did finish me off with a massage. However the reason why I couldnt make it to round two is because I didnt quite find her attractive. Her body was very nice though.

Once is good enough. I also did feel as she was rushing me out of the apartment. I did leave about 10 minutes before time. She kept saying she was tired.
