Beautiful Indian girl with the best body ever!!! She has silky long black hair to her waist, a pretty face, great tits and bum. Delicious.

The Story:

I had made the booking the day before, but called on the day to confirm and give final details. Anita arrived looking drop dead gorgeous. She has beautiful long black hair and had a sexy black dress on with high heels. I couldn't wait to get her undressed and eat her up. After we had dealt with the paper work, I asked her to get undressed and lie on the bed so I could dip my tongue in her honey pot. After lots of tasty honey, I fondled her breast and sucked her nipples, which she loved. I got her to suck my cock. My cock loved her lips around it, sexy sucking action and great eye contact. Anita is very passionate and sexy, a great girl. After squirting the days stress away, I asked her to give me a much needed relaxing massage. My only regret is that I haven't seen her before! She is fucking hot (literally)! I can't wait to see and taste her again.
