### The Premises:

A not-that-bad apartment located in a decent area in Central London.

### The Lady:

The pictures speak for themselves. Noting less than gorgeous..

### The Story:

Blew my mind, just blew my mind. An ex-lapdancer with all the curves at the right places..Started with a prolonged FK, went on for about 6-7 mins without a break. Onto more foreplay, the view of her beautiful sensual expressions in the mirror as I rubbed her heavy tits from behind will always live in my mind..More foreplay and 45 mins past..She then went down on me, paid good attention to the balls and was nearly rimming. A good OWO overall, but doesnt allow CIM. Then onto some chat with a good laugh for about 20 mins and then round 2 that finished in about 30 mins. Almost ended up staying in her apartment for about 2.5 hrs..

Overall a fantastic and memorable experience..If you don't like her, better question your sexuality..
