Selene was a stunning Italian woman with long dark hair and a beautiful body.

The Story:

The 90 mins was a unique experience for me, very intimate and connected. It was a blurr of heaven. I know feathers were used, body to body, other things I don't know what they were but they felt incredibly pleasureable. She often looked into my eyes, very sensuous. She whispered instructions sexily in my ears of things to do with her, breathing, hip movements, techniques, it was again I can only say incredible. I left that place in a bubble. She actually stayed and chatted with me afterwards about Tantra I was not rushed to leave at all.
