The Story:

not really a good punt... she spent too much time speakin in broken english, dropping hints about previous customers forcing girls (or her) into doing things they/she did not want to do.. obviously her way of making me realise she's not gonna give much effort... true. poor massage which i did not want. really sad pathetic effort to give oral, she was scared to put it in mouth, even though it was owo. far too many fakin noises through this and reverse oral and sex.. i felt like putting my hand over her mouth to shut her up.. at least brianna is good and professional vocally. sex was ok but she could not take it pile driving so again had to pull out..

kinda feel too many foreigners in scorpio, even though iain keeps a grip on things, it's been a while since i had a scots girl there, maybe just wrong timing for me...
