The Premises:

Nice place but a bit public so if your shy you may have an issue. Above a cafe in an business park. Once in very nice, clean, warm and modern. Nice hot shower

The Lady:

Wow, pictures on the site dont do her any justice, nice tiny body, if you like petite then you will love this girl. Very natural looking.

The Story:

Very nice rub down, covered Oral then different positions. Not what I would call a g/f expeience you get at other places, however her body did make up for it and doggie with her cute arse was amazing.
