The Premises:

Beautiful, spotless almost new apartment just outside Woking town centre. Video security entry system, felt safe and comfortable at all times. Perfect.

The Lady:

Absolutely gorgeous slim brunette, with the most beautiful hazel eyes. Very friendly, chatty lady. I was always told it was rude to ask a lady her age, so I can only guess, probably mid-thirties.

The Story:

This was my fourth visit to the lovely Tiffany and each visit just gets better and better, this alone speaks volumes.
It had been sometime since my last visit and I was not sure if Tiffany would remember me. I need not have worried, I was greeted at the door with very warm kisses and cuddles, just like meeting up with an old friend with Tiffany not wearing very much. Wow, what a welcome!!!
We moved on into the bedroom, got the business side of things sorted out, I was then offered the use of the bathroom facilities and Tiffany soon joined me with a drink.
What followed was probably one of the most enjoyable and memorable experiences I have ever encountered. I will not go into too much detail guys, you will have to go and find out for yourselves!!!
Needless to say that what Tiffany offers on her profile page was well provided and then some. The only thing that spoilt it was when my hour was up and I had to leave this lovely lady.
You simply must go and see her guys, but please take good care of my lovely Tiffany, if you do, you will be well rewarded. I would marry this lady if I was not married already. Oops! perhaps I should not have said that....
