The Premises:

Very nice flat with the right atmosphere. A very welcoming environment in the living room and a sexy lighting and smell in the bedroom.

The Lady:

Very busty black girl, blonde, wonderful lips and the best smile ever. Clean and has a wonderful scent.

The Story:

She was totally able to put me at ease as soon as we met; even if she had an appointment after a couple of hours, she had no rush and we enjoyed a nice drink together while talking about ourselves. I was pretty tense, but she made me feel relaxed in no time.

After some nice kissing and caressing we moved to the bedroom. She was very nice and naughty at the same time, undressing me skilfully and turning me on always more.

She had no rush and after a wonderful GFE experience, we even chat naked about books and many other things.

If you visit her, you have to be absolutely nice and respectful: she is a wonderful girl that deserves to be treated in the best way. Do so and she will make it worth, both from a physical and intellectual point of view.
