The Story:

Anna entered the room & greeted me with a kiss, she looked & smelt divine. We dealt with the paperwork & had a little chat before we returned to the kissing. We continued on the bed, soon our hands were roaming all over each other & clothes were being shed. With everything released she worked her way down my body to demonstrate her oral skills before I returned the favour, burying my tongue in her pussy making her nice & wet. Next it was on with the condom & sex in various positions, whilst riding me in cowgirl I told her I was about to come & could I come in her mouth. She quickly hopped off, whipped off the condom & took me in her mouth until I exploded & then let it dribble out all over her magnificent breasts.

A great punt, will be returning to see Anna again soon!
