Appartment in a block. Buzzer entry system. Secure & clean in a nice residential area. Good car parking. Felt very safe area.

Tall, attractive, shapely blonde. Mid 40's at a guess(did'nt ask, would have been rude to do so). Certainly not disappointed with her appearance.

The Story:

A visit to Julie was recommended by a friend who had an excellent time, & i'll be doing the same. Julie is one of those escorts that loves what she does & it shows. A full GFE is available with full on kissing, which i love, along with CIM (which she seems to love). She is really easy to get along with & talk to, it was almost like a visit to a girlfriend. On arrival i was offered the use of the shower & a glass of wine, & then up to the bedroom. Here she took over, undressing me & dropping down to give a superb OWO. I could'nt hold out & came in her mouth, which she immediately swallowed & actually thanked me! LOL! First shot out of the way, i returned the favour & spent a while licking her shaved pussy. I'm pretty sure she came also. After that it was another 1/2 hr or so of covered sex in various positions. If she looked at the clock, i didn't notice it. I will definitely return!
