The Lady:

Nice looking - although pictures on the 'aw' site possibly make her look better than is. Had specifically asked her to dress a certain way, which she confirmed in texts, but then wasn't. Unfortunately even put her seamed stockings on the wrong way round! Said she had a sister who also worked - I wonder if some of the texts I exchanged were actually answered by her and not by Tiffany.

The Story:

Oh dear another disappointment....had exchanged some nice texts with her before going to see her - including how much the hour cost - one text told me ?100 for the hour. Got there, and she asked for the cash - although her aw profile says she leaves this until the end. Also asked me for ?120 - I said I only had ?100 as per her profile and text, but she insisted it was ?120 for hour. I got the impression that if I stood my ground she could have got unpleasant, and I didn't need the hassle.

Got on with things - all okay - then after 45 minutes asked me if I was nearly there as ?100 only got 45 minutes! She was also on the verge of getting a bit stroppy then. This put me off, but got there by my own accord. Dressed quickly and left.

Looking at her profile I now wish I had read more - admittedly there is a review where she may have got attacked - which of course no one deserves, but also a few saying she had ripped others off.

If you have a choice I would say avoid - there are plenty of other decent women around that won't haggle over money. I do not rip people off, but was made to feel like it in this instance. One lesson learned...
