### The Premises:

HOD, South Kensington. Well-reported

### The Lady:

See pics on website. Absolutely stunning petite mixed-race girl in her early 20s.

### The Story:

After seeing her pics and reading so many good frs, I've wanted to see Beth for ages but the opportunity never arose. So when I saw our schedules matched, I opted for a longer punt than usual.

Beth is indeed a total superstar. She enjoys her job and puts everything into it. I've rarely met a hotter woman in any walk of life. Plus, importantly, she's really good company, easy to talk to. An hour and a half can seem a long time if you haven't got anything to say to each other, but our time flew by.

She gave the perfect GFE, with loads of proper french kissing. The memory of fucking her in front of the mirror will stay with me forever. There was never any question of struggling to cum twice! I would definitely see Beth again.
