### The Premises:

Very clean bathroom and tidy bedroom with several well positioned mirrors. Basement flat. Easy to find.

### The Lady:

Slim, soft, smiling, sexy. She is confident and relaxed and that shines through. She is perfectly proportioned.

### The Story:

I am acutely aware that after a decade of irregular punting, maybe forty sessions in all, Lucy is the only woman I have seen more than once. Only a couple of them have been so bad that I wouldn't have enjoyed seeing them again, but I do enjoy the variety. Partly it is because I have chosen to punt on holiday or working abroad. But mainly it is because Lucy is so much closer to my ideal WG than any one else I have met.

There is only one Lucy. Well, there is Leila at 121, but that is the same lovely woman under another name. I wrote about her there, FR #, and fifteen months later she is just as gorgeous, enthusiastic, generous and intuitive.

Kissing, oral and rimming, both given and received, made my knees tremble. A staggering blow job. Slightly more sex than my aging body can handle, and Lucy trying every trick to get me to cum a second time. I am very annoyed with myself for not managing it! In fact, I may punish myself by resisting a return visit to Lucy for at LEAST another week or so ... Perhaps.
