The Story:

My previous experiences at British Babes have been something of a mixed a bag - some truly great punts and a couple of disappointing ones. I hadn't been along for a while, but was intrigued when noticing that they had two new girls starting on this day.

Really good move. When introduced to them, I knew immediately that I'd end up seeing both. (See later fr for Louise).

Jade has a great attitude. She's a superb kisser, OWO was excellent and sex even better. Despite her having me on the edge pretty quickly, I managed to last long enough to fuck her in a few positions. All the while, we were talking dirty to each other. I love that Stoke accent!
