The Story:

I had been wanting to see Autumn for a long time but never got the chance in Milton Keynes so I was happy to see she now works in Birmingham, started with very horny DFK before she stripped me and summoned me onto the bed for one of the best bj's I have had in a long time possibly ever, then some reverse oral ,she has a great pussy that I could have gone down on for longer if we had more time, we then moved on to some hard fast sex, finished with another bj before she finally finished me off with a great hj, great service and I will certainly be looking out for her when she is in Birmingham and will try the Nuru massage.
