The Premises:

Easy to find near Oxford Street. Building looked a little shabby, but once inside her flat and room it was fine.

The Lady:

She looks just like the pictures. I was in the mood for a girl a little more exotic looking for a change, and that is what she is.

The Story:

I arrived a little early, but she opened the door with a big smile, wearing sexy black lingerie. We took care of the business stuff, and she offered me a bath, but I wanted to head straight for the bedroom. She offered a massage and that was exactly what I needed. And unlike some other girls she does a very good job and has strong hands. After turning on my stomach, she continued with a massage and very slowly and teasingly gave me OWO. I was about to cum and wanted to get the whole experience, so she put on a condom and I took her from behind. She has a nice big round bum, with exotic dark skin -- very sexy. I came rather quickly. We had extra time left and she wanted to give me more massage, so I let her, and it was very relaxing. Kind of cool to see a different looking girl for a change. Will definitely go back.
